## TEFAP FAQ:

### What is the purpose of the TEFAP form?

Every person receiving USDA food is protected by civil rights. TEFAP forms remind participants of these rights and how to file a complaint. TEFAP forms ensure USDA food is supplied equitably in each county and to people in need who live in Nebraska.

### I haven't had to complete this form before. Why now?

This form was completed verbally during the COVID-19 Public Health Emergency. When the federal health emergency ends in May 2023, we must return to the paper version.

TEFAP FAQ continued on back.

## TEFAP FAQ, continued:

### Who needs to fill out this form?

Any person receiving TEFAP food at a mobile distribution or pantry will be asked to complete this form.

### Can I still get food if I do not want to complete this form? Or, if my income is higher than the amount listed?

Yes, if you are at a Food Bank distribution, you will leave with food. If you choose not to complete this form—or if your income is higher than the amount listed—you will be served food that does not come from the USDA.

### Do I need to fill out this form each time I receive food?

Yes. A new form needs to be completed each time USDA food is received. If USDA food is not at that site, you will not need to complete a form.

### What information does this form collect?

The form asks for your address, household size, date and signature. This form will never ask for your social security number, date of birth or other sensitive information.

### Do I need to bring an ID, pay stub, tax document or other paperwork?

No. We will never ask you for an ID, pay stub or any other document.

### Who will see my information?

Food Bank staff members and volunteers may see your information while helping at the distribution. Staff members, volunteers or auditors who see these forms will not share your information. They will have completed USDA Civil Rights training.

### What will you do with my information?

Your information will not be used or shared. The Food Bank of Lincoln will store forms in a secure location. Forms will only be reviewed if the USDA or Nebraska Department of Health & Human Services checks the Food Bank of Lincoln's compliance with this policy. Forms will be shredded after three years.

### I am picking up food for someone else or want someone else to pick up food for me. What do I do?

Anyone who cannot complete this form in-person will need to complete a proxy form in advance. Only one proxy form per vehicle is allowed. Text messages and notes will no longer be accepted. Proxy forms can be found at [lincolnfoodbank.org](http://lincolnfoodbank.org).
